**Dyersville Airport is staging area for the beginning of the Ghost Players vs. Military All stars ballgame**

On Sunday, July 19, Military jumpers dressed and met their ride at the Dyersville Airport. They were taken up several thousand feet then they jumped and brought the game ball to the Commercial Club Park.

Tony Mineart was at the airport and took these photos for us.

**Dyersville has visitors while flying home from the EAA AirVenture in Oshkosh.**

Michael Atha and his son made a stop in Dyersville on July 29th. Michael lives in Dalhart, TX. The two things that impressed Michael were the friendly people in the Midwest and the beautiful green (without irrigation). He got out of the airplane, looked around and all he said was, "This is beautiful".

He and his son hopped in the 1950 PA 22 Piper and ventured to Oshkosh, a trip of over 1,000 miles. After 3 days at the air show, they packed up, fired up the Piper and headed Southwest – homeward bound.
