Luke Kramer, son of Craig and Karen Kramer won first place in the 2010 Iowa Department of Transportation, Aviation Photo Contest. The photo was taken in the evening after a full day of work (and fun) at the airport. Fred Lansing, Craig Kramer and Dave Kramer pulled up chairs to relax and watch the sun go down when Luke took the camera and shot this photo. It placed #1 in the "Life at an Airport" category. Congratulations Luke,

Luke has been helping cut grass, maintain the airport and was in charge of "pest control" through the summer.

Airport Members work to keep Airport Open

Now the snow is at a controllable depth and can be moved. This week, Craig Kramer plowed the runway with his truck and Ron Radloff follow him with his blower to remove the windrows.

Hopefully the snow amounts we get the rest of the winter will be moveable. The last two years the snow was so heavy we could not get through it with plow and blower. Although we try to keep the airport open all winter, anyone wanting to fly in must call first to confirm the condition of the runway.

2011 Airport Calendar

The 2011 calendar is now out and has photos of the Delhi Dam breaking, the after shots of the lake (river), before and after shots of the Luxemburg church steeple (lightening strike), Dyersville flood and neighboring towns.

If anyone would like a calendar, contact Dave Kramer, 563 875-8590. A small donation to the airport would be appreciated.

Pilot Thoughts

In the Alaska bush, I'd rather have a two-hour bladder and three hours of gas than vice versa.

It's not that all airplane pilots are good-looking; Just that good looking people seem more capable of flying airplanes, or so seasoned observers contend. A matter of self-confidence? No doubt, no doubt.

Events Calendar 2011

Jan 29	Annual Chili Fly-In Hwww.flyingmuseum.com H	11:00 – 2:00	Greenfield, IA (GFZ)
