## Bern Heimos Returns to Dyersville

Bern Heimos, photo journalist and adventure pilot returned to Dyersville to visit. His adventure began August 15 in Chimo, CA, traveled east through the southern states of AZ, NM, OK, IL, OH, and NJ. On his way back, Bern stopped in the Chicago area, the Annual Antique Fly In in Brodhead, WI, then on to Dyersville International Airport. It's always a treat to see Bern and spend a couple of days kicking tires and touring. Bern left Dyersville and headed for home. The

flight from Dyersville should be a comfortable five day flight through the Southwest. He should touch down at home in

Chimo, Saturday Sept. 15. One month from his starting date. Bern's adventure can be seen on [www.vintageflying.com](http://www.vintageflying.com)

### Aviation 101

**Try to keep the number of your landings equal to the number of your takeoffs.  
Every one already knows the definition of a 'good' landing is one from which you can walk away.  
But very few know the definition of a 'great landing.' It's one after which you can use the airplane another time.**
