Phil DeShaw brought his tractor and blower to the airport to test the ground. We have to wait until the ground under the snow is frozen before we can blow the runway clear. If the runway is soft, we will damage it. Phil had to stop blowing. Maybe after the sub-zero passes, the ground will be frozen.

This airport was built, maintained and is kept open by the many volunteers willing to step up to the plate and see that the jobs get done.

To the people that helped build the Pilot Lounge, brought running water to the lounge, hooked up the sewer and drain field, cut the grass, checked and kept the runway lights operational and the many other jobs associated with the airport, we wish you a

*Very Merry Christmas and Happy New Year*

2016

Ron and Nick Radloff empty old lounge for destruction

Lansing Brothers Construction remove old lounge

Dubuque Chapter of EAA Meet twice at the airport

The well gets dug

Left – Fred Lansing works on sewer. Rt.- Ron Radloff delivers wall he built

Lots of help – Tony Mineart, Fred Lansing, Ron Radloff, Craig Kramer & Mark Brown

The crew – Tony Mineart, Craig Kramer, Phil DeShaw, Paul Ahern, Ron Radloff, Mark Brown & Luke Kramer

The Flyers Baseball Team use the airport as a back drop for their team photo

The finished product

We also had our annual model fly-in in July thanks to Tony Mineart, It is always an enjoyable day for families.
