**Spring is here, it's time to plant**

It's time to plant the grass around the new pilot lounge. Paul Ahern grabbed the tiller and started the process. Later, Craig Kramer and Fred Lansing joined in to rake, seed and water. Now we'll see how green our thumbs are.

Activity is picking up at the airport. The model flyers tested their skill already this year. Bill Burger and Tony Mineart (members of the model flyers) came to visit during the seeding.

The airport has been busy and the hangar talk has started.

One of our visitors was this Piper 180 (forerunner to the Archer) visited us from Green Castle Airport (just south of Cedar Rapids).

Our Local Cessna 172 has been in the air traveling to Ames, Iowa and other destinations. Later this month, Craig Kramer “flew the Coupe” (airplane that is) to Ames, Mason City, back to Ames and then back to Dyersville.  
Beats spending the whole day on the road.

**YES!!!** This is my airplane, I saw it first and those are MY wheels. Stay away.

### Dubuque EAA Chapter 327 will have two of their summer meeting at the airport

The Dubuque EAA Chapter will have their May meeting here on May 20 and their June meeting on the 24<sup>th</sup>.

### Keith McCarrahar is setting up a new web page for us

Keith said the old web site was beyond it's usefulness and is set up a new site that will handle links better to our weather station, links to other web sites and better photo album structure. We are have Keith on board with the airport.
